

## Backcountry Ski Course

### Equipment & Clothing Checklist

Your gear will be checked at 8:30am on the morning of departure. Please bring as many of the items on the equipment list as you can. We can provide at no extra charge any items in list A that you are missing. **Please note that you must bring your own alpine ski touring boots, or if you need to hire them see below.\*1** All other equipment (ski touring skis, skins, poles, transceiver, shovel, probe, etc.), is provided.

Sleeping bags, mattresses and pillows are at the hut. We provide you with a cotton sleeping bag liner and pillow case. If you have your own sleeping bag liner, please bring it (silk is lighter than cotton). You do NOT need to bring hut shoes (provided). Please note that all food is provided.
